Note: Refer the annexure I for component definitions

Annexure I
Wages
Basic: It is a fixed component and part of wage definition, paid to an employee. The retiral component Provident fund (PF) is linked to it.
Cash Allowance: Is monetary component of compensation paid to the employee and treated as wage, subject to the applicable statutory limit. This maybe adjusted based on LTA and meal coupons declaration if applicable and opted by employee.
Other Components
Conveyance Allowance: A fixed and mandatory component of salary paid monthly towards commuting related expenses. Actuals/ Receipts are not required towards the component as this is not a tax benefit under the current structure.
House Rent Allowance(HRA): A fixed and mandatory component of salary. This is balancing component that is used to adjust the Total Fixed Cash (TFC). This maybe adjusted based on Rent allowance and Contribution to NPS as declared by the employee
Provident Fund (PF): The contribution towards Provident fund and deposited as per applicable statutory provisions. Minimum PF as per the laws applicable
Gratuity: A statutory benefit shown on an accrual basis as part of cost to company. Gratuity is calculated on the wages component. Payment of gratuity is subject to eligibility under applicable laws.
Components (Declared out of Cash Allowance)*
Meal Coupons: An amount of Rs. 13,200/- per or Rs. 26,400/- annum can be declared towards meal coupons. Applicable only for "Old Tax Regime".
Leave Travel Allowance(LTA): This allowance is provided to employees for Leave Travel Assistance. You may declare an amount up to your available cash allowance balance after accounting for Meal Coupon declarations. The maximum limit is 17% of your annual basic salary (equivalent to two months of Basic), subject to a cap of INR 100,000.

Components (Declared out of HRA)*

Rent Allowance: This allowance is provided to employees to rent a suitable accommodation. You can declare up to a maximum of 100% of your HRA component towards Rent Allowance.

National Pension System (NPS) : Contribution to NPS up to 10% of Basic salary is allowed. Once enrolled, minimum contribution is Rs 1200/ per annum. Enrolment process is annual and getting a PRAN is a prerequisite for enrolment.

** Tax exemptions to the above if any are subject to applicability of Income tax rules as per the Income Tax guidelines*

** Please refer to eligibility and policy guidelines as applicable to your business.*

**Voluntary Provident Fund (VPF) contribution, if opted by the employee, will be deducted from salary in addition to the statutory Provident Fund contribution.*

Note: The compensation review happens generally on annual basis. Employees joining on or before Oct 31st will be considered as a part of the annual compensation revision for that year
